TECHNICAL PROJECTS

Road to One Piece - GitHub | App - Javascript | HTML | CSS
Browser-based memory flash cards using wanted posters from the 'One Piece' anime.
- Created a move counter and timer to keep display at the end.
- Used JavaScript functions to make the cards turn over.
- Implemented CSS properties to improve the attractiveness of the website.

God's Watchlist - GitHub | App - Node | Express | MongoDB
Full-stack CRUD application that allows you to watch your shows and talk about them.
- Implemented Google OAuthorization to secure logins.
- Added CRUD elements to create a comments section.
- Used CRUD elements to update a user's watchlist.
- Used 3rd party API to allow users access to a variety of shows.

EXPERIENCE

Beau Dietl & Associates, Security Guard   *Elmont, NY, 12/2020 - Current*
- Observe for signs of crime or disorder and investigate disturbances.
- Investigates security breaches, incidents and alarming behavior.
- Monitor and control access at building entrances and vehicle gates.
- Supervised small teams of guards as they conducted daily patrols.

Hotel Ninety-Five, Security Guard   *Jamaica, NY, 03/2020 - 06/2021*
- Conducted security patrols to ensure no illegal activities are being conducted on the premises.
- Investigated noise complaints and handled the situations accordingly based on severity.
- Completed reports by recording observations, occurrences and surveillance activities.
